Dear Families,

Community Memorial Health Center has **NO** active COVID-19 positive patients or staff. We are continuously educating staff on Infection Control practices.

Phase 2 is being implemented at CMHC. We are currently contacting families to set up visits. We appreciate your corporation and patience as we have very stringent guidelines that need to be followed and are currently setting up 5 visits a day Monday-Friday to make sure these guidelines are being followed.

Our next steps in our phase 2 plan is to allow a partial communal dining and activities next week. We will serve hall 100 breakfast, lunch, and activities on Monday and Tuesday and hall 200 breakfast, lunch, activities on Thursday and Friday in the dining room with the following rules:

- 2 people per table
- Sneeze guard on each table between residents
- No share condiments
- Dining room no more than 50% full
- No more than 10 people at an activity

We encourage you to review the CDC website for information about COVID-19, including its symptoms, how it spreads, and actions you can take to protect your health:

<https://www.cdc.gov/coronavirus/2019-ncov/index.html> .

Thank you very much for everything you are doing to keep our residents and facility staff safe and healthy. Some opportunities we have in place for you to visit with your loved one:

1. Email pictures and letters to Cassidy at ssa@cmhcburwell.com .
2. Set up video chat.
3. See your loved one through their window.
4. Give them a call.

We continue to monitor the situation in our community; ***Our most current updates will also be updated on our website.*** Thank you for your patience during these times.

Please feel free to give us a call for any reason.

Thank you again,

Kally Cloeter , Administrator
