Dear Families,

Community Memorial Health Center has **NO** active COVID-19 positive patients or staff. We are continuously educating staff on Infection Control practices.

Nursing Home phases: 2 and 3 are implemented at CMHC. We are currently contacting families to set up visits. We appreciate your corporation and patience as we have very stringent guidelines that need to be followed and are currently setting up 5 visits a day Monday-Friday to make sure these guidelines are being followed.

For the weeks July 19th-August 8th we will close down visitors due to the high risk of exposure during Burwell Rodeo. We are here to keep our residents safe and limit exposure as much as we can. We thank you for your understanding. Family visits will resume August 10th.

We started partial communal dining and activities this week. We will serve hall 100 breakfast, lunch, and activities on Monday and Tuesday and hall 200 breakfast, lunch, activities on Thursday and Friday in the dining room with the following rules:

- 2 people per table
- Sneeze guard on each table between residents
- No share condiments
- Dining room no more than 50% full
- No more than 10 people at an activity

We encourage you to review the CDC website for information about COVID-19, including its symptoms, how it spreads, and actions you can take to protect your health:

<https://www.cdc.gov/coronavirus/2019-ncov/index.html> .

We continue to monitor the situation in our community; ***Our most current updates will also be updated on our website.*** Thank you for your patience during these times.

Please feel free to give us a call for any reason.

Thank you again,

Kally Cloeter , Administrator
