Dear Families,

Community Memorial Health Center has **NO** active COVID-19 positive patients or staff. We are continuously educating staff on Infection Control practices.

Scheduled visits have resumed. Please call 308-346-4440 to schedule a visit with your loved one. Monday-Friday. First visits start at 9am and last visit starts at 3pm. 45min visits with 1 hour time slots.

CMHC will start having a hairdresser come in house in September. The hair dresser will be COVID19 screened and wear proper PPE. These scheduled appointments will be twice a week and by hallway, so deep cleans can be done prior to another hallway using the beauty shop.

Don't forget, window visits are encouraged for all residents!

We strongly discourage any thing that cannot be sprayed down with a disinfectant to be brought into the building (ex- homemade goods, flowers, etc.) if you are unsure please call and ask prior to bringing. Thankyou.

We encourage you to review the CDC website for information about COVID-19, including its symptoms, how it spreads, and actions you can take to protect your health:

<https://www.cdc.gov/coronavirus/2019-ncov/index.html> .

We continue to monitor the situation in our community; ***Our most current updates will also be updated on our website.*** Thank you for your patience during these times.

Please feel free to give us a call for any reason.

Thank you again,

Kally Cloeter , Administrator
