Dear Families,

Community Memorial Health Center has **NO** active COVID-19 positive patients or staff. We are continuously educating staff on Infection Control practices.

Scheduled visits have resumed. Please call 308-346-4440 to schedule a visit with your loved one. Monday-Friday. First visits start at 9am and last visit starts at 3pm. 45min visits with 1 hour time slots.

Don't forget, window visits are encouraged for all residents!

We strongly discourage any thing that cannot be sprayed down with a disinfectant to be brought into the building (ex- homemade goods, flowers, etc.) if you are unsure please call and ask prior to bringing. Thankyou.

We encourage you to review the CDC website for information about COVID-19, including its symptoms, how it spreads, and actions you can take to protect your health:

We continue to monitor the situation in our community; ***Our most current updates will also be updated on our website.*** Thank you for your patience during these times.

Please feel free to give us a call for any reason.

Thank you again,
