

## October 23rd, 2020 CMHC Update

“Keep your head up. The toughest challenge can help us grow the most. Worry less. Appreciate more.”

**SHOUTOUTS:** This week our staff got to enjoy Nitro Cold Brew coffee from “The Hub”. Jodi Slingsby made and donated hats, blankets, scarfs and mittens to our staff and residents.

**COVID UPDATE:** We completed "outbreak testing" on Tuesday with all Negatives! Today, we were informed of another non-resident COVID positive who was exposed outside of the facility. We start “Outbreak testing” on Monday, Oct 26th and Tuesday, Oct 27th and Wednesday Nov 4th and Thursday Nov 5th. Thank you for your patience during this time. We have to shut normal visitation back down until completion of “outbreak testing”. We will keep you updated. If all tests are negative, we can get out of “outbreak testing” and go back to our normal visiting hours, dining, small group activities and more. We still strongly encourage virtual and window visits.

**HIRING:** CMHC is currently looking for passionate care workers to join CMHC's team. We have a bundle of opportunities for people who are certified and those who aren't. Call us or message us for more information. 308-346-4440.

**HALLOWEEN:** With the increase of community spread off COVID we are looking at doing Halloween Trick or Treat a little different this year. Stay tuned next week for what we have planned for the kids.
